Ingress Abbey

A Grade II listed, historic Tudor Gothic stately home overlooking the River Thames

PRICING GUIDE 2026-27

GREENHITHE · KENT

Grand rooms, gardens and the river

From the Abbey, stone stairs and lawns fall towards the Thames. Your hire includes the Abbey's grand rooms and principal spaces, plus all of the gardens and grounds of this much-loved family home.

Ceremonies for up to 100 guests can be held in the Gold Room, Red Room, Orangery, Hall or Flagstone Courtyard. Dine in the Gold Room for up to 50, spread through the grand rooms for a house-party feel, or gather everyone under one roof in a marquee in the gardens.

The Abbey and the Coach House are both Grade II listed. The Abbey itself has nearly two centuries of history, and the estate more than six. The present house was built in 1833 for James Harmer, Alderman of the City of London, to a Tudor Gothic design by Charles Moreing.

Couples can marry at the Abbey under its civil ceremony licence, or hold the ceremony elsewhere and bring your guests back for the reception. Drinks flow through the Gold Room, the Red Room, the Hall and the Orangery.

The Gold Room

An elegant room for drinks receptions and dining, which can also be used for dancing in the evening.

The Red Room

Red damask walls, twin chandeliers and a bay window onto the gardens: a richly elegant room for your ceremony, a drinks reception or an intimate dinner.

The Orangery

A light-filled room for drinks or dining.

The Hall & Gothic Gallery

The Hall beneath the Gothic Gallery, at the heart of the Abbey.

Flagstone Courtyard

An open-air courtyard for drinks and mingling.

Gardens & marquee space

Formal gardens and lawns, with room for a marquee for larger wedding breakfasts.
